2. Account Registration

Trigger: A user successfully completes the signup process

Subject line: Welcome to prompterly

Contents:

prompterly

You're in!

Hi [First Name],

Your Prompterly account is now set up and ready.

When you log in, you'll land in your dashboard where you'll see the Coaching Lounge(s) you've subscribed to.

To get started, simply click **"Enter Lounge"** and begin.

You can also explore and browse other Coaching Lounges available to you at any time.

Each lounge is trained around a trusted mentor's perspective, giving you direct access to their thinking, guidance and support whenever you need it.

Go to dashboard

If you have any questions, please view our support page.

3. Email Change Confirmation (sent to new email address)

Trigger: When a user changes/updates their email address – this is sent to their new email address

1. User changes email
2. System sends:
    - confirmation → new email
    - alert → old email
3. Old email includes:
    - time-limited recovery link

Subject line: Your account details have been updated

Contents:

prompterly

Hi [First Name],

This email address has been successfully linked to your Prompterly account.

If you made this change, no further action is needed.

If this wasn't you, please contact us immediately at support@prompterly.ai so we can help secure your account.

If you have any other questions, please view our support page.

Prompterly Support

4. Email Change Confirmation (sent to old email address)

Trigger: When a user changes/updates their email address – this is sent to their old email address

Subject line: Important: Your account details were updated

Contents:

prompterly

Hi [First Name],

We noticed that the email address linked to your prompterly account was recently changed.

If you made this update, you can ignore this message.

If this wasn't you, please secure your account immediately.

Secure my account

This link will allow you to review the change and regain control of your account.

If you need support, please view our support page.

Prompterly Support

Note:

This should NOT just be a normal password reset. It should:

- verify identity (tokenised link)
- allow the user to:
    - revert email change OR
    - reset password + re-secure account

12. Payment Unsuccessful — Email 1 (Immediate, day 0)

Trigger: An auto-renew payment could not be successfully processed (for monthly and annual subscribers) – Stripe must auto-retry at the below cadence with emails triggered by each event

Day	Action	Email
Day 0	Failed payment	Email 1
Day 3	Retry payment	Final notice email
Day 7	Final retry	Account

Subject line: We couldn't process your payment

Contents:

prompterly

Update payment details

Hi [First Name],

We weren't able to process your recent payment for **[Mentor Name]'s Coaching Lounge**.

This is usually due to something simple like an expired card or a temporary issue with your payment method.

To continue your access without interruption, please update your payment details below:

Update payment details

Plan: [Monthly / Annual]
Amount: [$X AUD/USD]

We'll retry the payment shortly, and your access will remain active in the meantime.

If you need help, you can contact us at support@prompterly.ai.

Prompterly Support

13. Payment Unsuccessful — Email 2 (Day 3)

Trigger: A payment retry could not be successfully processed

Day	Action	Email
Day 0	Failed payment	Email 1
Day 3	Retry payment	Final notice email
Day 7	Final retry	

Subject line: Your payment still needs attention

Contents:

prompterly

Update payment details

Hi [First Name],

We've been unable to process your payment for **[Mentor Name]'s Coaching Lounge**, and your subscription still needs attention.

To avoid any interruption to your access, please update your payment details below:

Update payment details

Plan: [Monthly / Annual]
Amount: [$X USD]

We'll make one final attempt to process the payment. If it's still unsuccessful, your access will be paused.

If you need help, you can contact us at support@prompterly.ai.

Prompterly Support

14. Access Paused (Day 7)

Trigger: A second payment retry could not be successfully processed, meaning the card was attempted to be charged a total of 3 times.

Day	Action	Email
Day 0	Failed payment	Email 1
Day 3	Retry payment	Final notice email
Day 7	Final retry	Access paused email

Subject line: Access paused - update your payment to continue

Contents:

prompterly

Access paused

Hi [First Name],

We weren't able to process your most recent payment for your Prompterly subscription, and after a couple of attempts, we've temporarily paused your account.

We'd love to have you back.

To reactivate your account and pick up right where you left off, simply log in and update your payment details:

Update payment details

Please note:

Your data, including your chat history, notebook entries, and any time capsules, will be securely held for 90 days from today. If your account isn't reactivated within that window, your data will be permanently and irreversibly deleted from our system. If it is reactivated within this timeframe, you'll be able to pick up exactly where you left off, and everything in your account will still be there.

Your data deletion date is: [DATE — *90 days from pause date which is 7 days from when payment first failed*]

If you need help, you can contact us at support@prompterly.ai.

Prompterly Support

15. Data Deletion Reminder

Trigger: A user has not reactivated their paused account due to inability to charge payment method, and it has been 60 days since they were notified of their account being paused.

Subject line: Your Prompterly data will be deleted in 30 days

Contents:

prompterly

Your data will soon be deleted

Hi [First Name],

This is a quick but important note.

Your Prompterly account was paused 60 days ago, and your data, including your chat history, notebook entries, and time capsules, is scheduled for permanent deletion in 30 days on [DATE].

Once deleted, this cannot be undone or recovered.

To reactivate your account, update your payment details below and pick up right where you left off.

Reactivate account

If you've decided Prompterly isn't for you right now, we completely understand. We just want to make sure you have the chance to keep anything that matters to you before it's gone.

Prompterly Support

16. Data Deleted

Trigger: User did not reactive their account within the 7+90 day timeframe that their account was paused and so their data has been deleted

Subject line: Your Prompterly data has been permanently deleted

Contents:

prompterly

Your data has been deleted

Hi [First Name],

As previously notified, your Prompterly account data has now been permanently deleted from our system.

This includes your chat history, notebook entries, and time capsules. This cannot be undone or recovered.

If you'd like to start fresh with Prompterly in the future, you're always welcome back. You can create a new account and subscribe to any Coaching Lounge at [link].

We hope Prompterly was valuable to you during your time with us, and we wish you well.

Prompterly Support

17. Subscription Cancelled

Trigger: A user unsubscribes from a coaching lounge (monthly or annual subscribers)

Subject line: You've unsubscribed from [Mentor Name]'s Coaching Lounge

Contents:

prompterly

You have unsubscribed

Hi [First Name],

You've successfully unsubscribed from [Mentor Name]'s Coaching Lounge.

[MONTHLY]: Your access will remain active until [DATE], after which your subscription will not renew.

[ANNUAL]: You still have time left on your billing cycle, so your access to [Mentor Name]'s Coaching Lounge will remain active until [END OF BILLING CYCLE DATE]. After that date, your subscription will not renew.

A note on your data:

Your chat history, notebook entries, and time capsules associated with [Mentor Name]'s Coaching Lounge will be permanently deleted 30 days after your access ends, on [DELETION DATE]. This cannot be undone or recovered.

If you'd like to save anything before then, you can export your data in your user settings

Where applicable, your other Coaching Lounges are unaffected and remain active as usual.

If you unsubscribed by mistake or change your mind, you can resubscribe to [Mentor Name]'s Coaching Lounge at any time here: [dashboard link].

Prompterly Support

18. Time Capsule Delivery

Trigger: A user has opted into push notifications for time capsule messages and has a new time capsule message unlocks

Subject line: A new message is ready

Contents:

prompterly

New time capsule message unlocked

Hi [First Name],

A new time capsule message has been unlocked and ready for viewing.

You left something here for yourself, and now it's time to take a look.
